KINGDOM
BUILDERS

Vision

I see a Church that shouts you belong here.
A Church that is effectively changing lives of those far from God.
A Church raising up passionate followers of Jesus.
A Church building community and relationships
A Church not afraid to step out in complete faith,
taking over territories for the Kingdom of God.

MESSAGE FROM PASTOR

Thank you for joining us on this journey. At Passion Church, 2024 is the year of Kingdom Pursuit, a willingness to forsake everything for the King. We've witnessed miracles and a special miracle with the launch of Kingdom Builders 2023. As we venture further into 2024, we trust that God will empower us to make an even greater impact. Kingdom Builders offers us a platform to challenge darkness on all fronts. We aim to extend our support to both local and global ministry initiatives, lay the groundwork for new Passion Church locations, and expand our existing site. We are a church not ashamed of growth, we passionately pursue Jesus to reach one more.

✦ Kingdom Builders will open doors to impact more lives with Biblical values and bring us closer to fulfilling His vision for Passion. I see a church that shouts you belong, a church changing the lives of those far from God, a church raising up passionate followers of Jesus, a church building community and relationships, a church not afraid to take over territories for the Kingdom of God. We are Kingdom Builders, and you can be a part of it.

PASSION
IS OUR
DNA

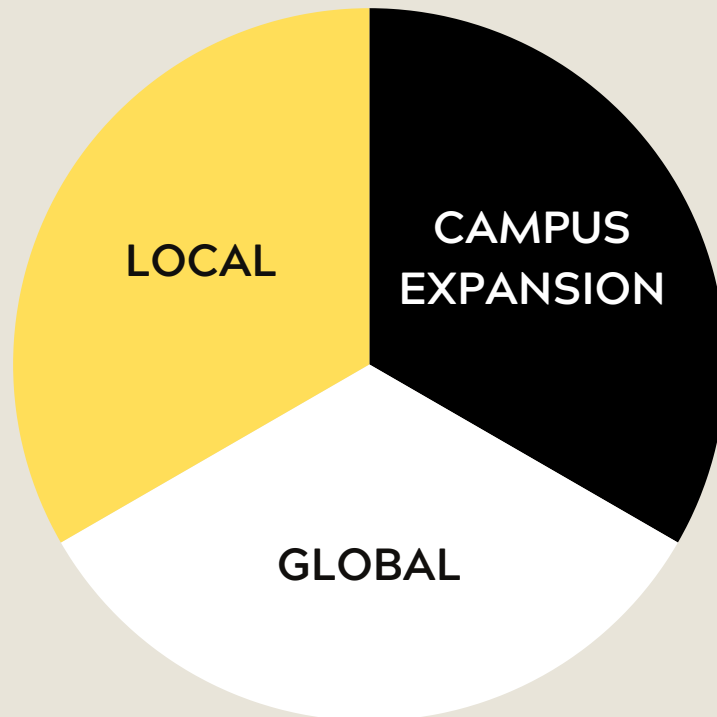

Generosity

KINGDOM BUILDERS

YOUR GENEROSITY IMPACTS THREE AREAS:

We all have a part to play in God's Kingdom - and this year, we can connect with that calling through Kingdom Builders. Through Kingdom Builder, we will expand our partnership with **local** and **global** ministries to reach those far from God. With the miraculous growth we've been experiencing, we will be positioning ourselves so we can expand our current site while actively seeking God in prayer for our **next location**. We are passionate about His work, and will use these three areas to do it. Radical generosity allows us to leave an impact that lasts far beyond ourselves.

Presence

Driven

FOOD PANTRY

It all starts here, from our Passion Food Pantry which serves over a 1000 people every month, to Home of Hope right across the street from us.

HOME OF HOPE

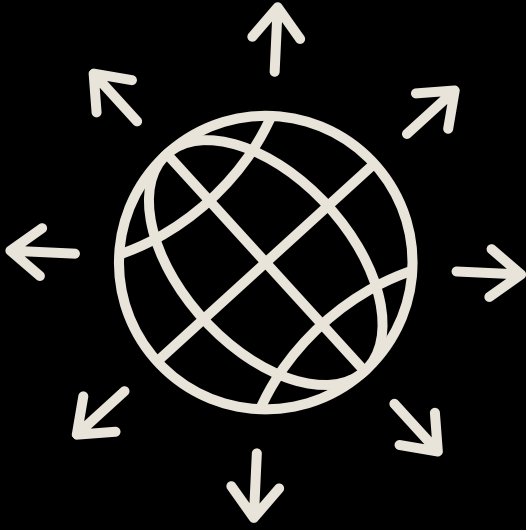

Expanding our reach in Casa Grande will make a way for the truth of Jesus to reach many more by declaring truth and meeting the needs of our community.

Local

Global

We are a church that deeply values the efforts of global missionaries. We currently support 40 missionaries and ministry initiatives around the world. We want to continue praying for those we support, and we also want to be a vehicle for them, placing necessary resources into their hands. Through this global effort, expanding our reach to unknown territories is of high priority. One of our culture commandments is “Making Jesus Known” because every human has the right to know about Jesus.

Campus Expansion

God has called us to make room, expand our tents and prepare for those flooding into our doors. We are called to strategically plant new locations and expand our current one. With the growth we have been experiencing, we must make room. Your generosity will allow this to happen.

HERE ARE THREE THINGS WE ASK YOU TO DO:

✓ PRAY

The most important action you will take is to prepare your heart as you respond to God's call. Start with prayer and ask the Lord to lead you in what radical generosity looks like for you this year.

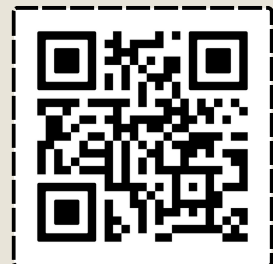

✓ COMMIT

We invite everyone at Passion Church to declare "Generosity Breaks Barriers" and commit to sow into fertile ground. Your 2024 faith promise will be your commitment to this movement.

✓ BE FAITHFUL

Your commitment is important to Passion and because you don't give to Passion, you give through Passion. Remain faithful to your commitment, for you will see the fruit of your faithfulness as we see the things of God multiply.

Next Steps

All things are possible to him who believes.
Mark 9:23
